

School Council Teacher Report

January 14, 2019

Prepared by: Julie Corrigan

SPORTS:

1. Mme. Digney organized and hosted the Grade 6 Regional Bordenball Tournament just before the break. We hosted 12 schools from across our region.
2. The grade 6 boys Bordenball team finished 1st in the regional tournament. Special thanks to Mr. Ross for coaching the team.
3. The grade 6 girls Bordenball team had a great time participating in the tournament. A special thanks to Mme McLean and Mme Lemieux for coaching the team.
4. The grade 6 boys and girls volleyball tournaments will be held on February 25 (girls - Rachel Rhine coach) and February 26 (boys - Jason Ross coach). Tryouts will begin this week.

ACTIVITIES:

1. Grade 6 students will be heading to the Bill Mason Centre for a cross country skiing and snowshoeing adventure. It's a beautiful setting where students learn how to build a campfire and complete wayfinding activities.
2. CRAY Day is being renamed Winter Fun Day
3. Ski Club (January 23, 30, February 6, 13) is booked and ready to go.
4. Ms Sarte-Dance and Mme Hickey are organizing CRAY Day activities (order of activities is tentative):
 - a. January 23 - tubing at Mt Pakenham
 - b. January 30 - tbd
 - c. February 6 - Winter play day leadership activity planning
 - d. February 13 - Primary Winter Play Day (students to lead)
5. Mme Sabba continues to run Mindful Mondays and has started the Yoga/Tai Chi club. She also has students from her class offering finger knitting lessons to classes.
6. Luv to Groove will be taking place for our juniors in February.
7. Karen Grew and Robyn Lemieux are offering quiet spaces on three occasions for quiet reading during recesses. Karen is offering two options for the Juniors and Robyn is offering one for the primaries

Requests for Consideration

Toboggans for student use (whole school)

15 X \$13.99 (+tax) = \$237.13 or

20 X \$13.99 (+tax) = \$316.17

A consideration for purchases - appropriate sleds for student use during winter. We have bought them in the past, but they only last a season or 2, and we have not had any school provided sleds for the past 2 winters. We have purchased them from Canadian Tire in the past. As long as they are not Saucers or magic carpets they fall under OPHEA guidelines.
